July Awards

Liliana Davis (City Temp of the Month)

The following has been said of Lilly by her Manager: "I would like to nominate Lilly Davis as temp of the month. Lilly started with us in a general clerical role and during a very demanding time. She worked conscientiously to learn new procedures, update our records and help our customers. Lilly shows initiative in improving systems and has often suggested additional changes. A month ago a vacancy arose when our Administration/Finance Manager took a period of leave and I had no hesitation suggesting that Lilly, given her finance background and ability to learn quickly, would be suitable in the role. Even though I had high expectations of Lilly, I was still surprised at how well she took to her new responsibilities, particularly in an office that requires her to be extremely adaptable. On the personal side, Lilly has a mature integrated personality and shows strong concern for the welfare of others. I am very pleased we were able to secure her services." Congratulations Lilly!

Joanne Buttress (Parramatta Temp of the Month)

Joanne is only a part timer but she has made a great impact on her team. She is highly skilled, flexible and friendly. We hear great things every time we are on site and would like to show our appreciation for her hard work. A positive attitude is so valuable, keep up the great work Joanne.

Highly Commended

Michael El-Bacha (City Office)

The following has been said of Michael by his Supervisor: "Michael has proved a valuable member of our Operations Team and has fully engaged himself in a variety of tasks with enthusiasm and energy. His flexibility and vibrant approach to his work has certainly been evident and he has been willing to take on board any task or challenge to help support our projects, goals and group activities – his diligence is greatly appreciated. Michael also adds a sense of fun to our team with his personality, sense of humor and unique outlook on life displayed regularly (and not to mention his ability to embrace the Solar mystery shopping task using his acting skills!!). It has been a pleasure having Michael on board and we look forward to his continued efforts and support".

William Tran (Parramatta Office)

William has been working in his current role since May 08. William works in the Stores and in the office doing a variety of duties. William just recently performed "higher duties" for 3 weeks while his Supervisor was seconded to another area and performed the role brilliantly. William is a hard worker, committed, reliable and capable of working unsupervised and takes on more responsibilities without any fuss.

Wicked is coming to the Capitol Theatre, Sydney, from September 5th! For those of you who haven't seen it in Melbourne at the Regent, you simply must see it in Sydney!

THE BROADWAY MUSICAL
WICKED
THE UNTOLD STORY OF THE WITCHES OF OZ

Wicked tells the background story to the classic film the Wizard of Oz, and teaches its audience that often the truth is just what "everyone agrees on". Based on the Gregory Maguire novel of the same name, Wicked has much of the layers and plot of Maguire's book, but has been adapted to the stage to suit a wider audience. It has stunning sets and costumes, brilliant lighting and original music, which combined with the incredible direction and impeccable performances from its stars, especially the 'witches' - the very talented Lucy Durack and Amanda Harrison, makes Wicked well worth a visit.
