

Talking Temps

ISSUE 126 FEBRUARY 2011

January Awards

Fernando Auwlia (City Temp of the Month)

With over five months with the Royal North Shore Hospital Health Information Services Department, Fernando has been described as "a brilliant worker" by Manager, Alicia Duffy and "wishes she could clone him". Hard working and reliable, Fernando is definitely an asset to the Health Information Services team and to Quay Appointments.

Nesrien Wehbeh (Parramatta Temp of the Month)

Nesrien has been working at Concord Hospital in the Aged Care and rehabilitation since August 09. She is well liked due to her friendly and helpful attitude and she is always ready to take on more work to support other staff. Wish we had more like her.

Highly Commended

Alexandra Groom (City Office)

Alex has fitted in so well with our small team, she has been very quick to learn and taken initiative to make the role her own. She never hesitates to ask questions and she always makes notes so she won't have to ask the same thing twice. Her attitude is amazing and I could not be happier to have her as a part of my team. I often forget she is a temp who has only been with us for a few months. For me it feels like she has been with us for years the way she has settled in and adapted.

Anita Ulu (Parramatta Office)

Anita is currently working a Home Care. Anita is very diligent, a great team player and nothing is too hard for her. Any task given to Anita you can be assured will be completed!
