Temporary of the Month Award

Congratulations to Aisling McMonagle and Katie Arbon

Aisling McMonagle—City Winner

The following has been said by Aisling's supervisor: "Aisling is a hard working and diligent worker. Aisling has shown great initiative and puts in a full effort day to day to ensure the running of the office is maintained as well as the special projects she works on". Good work Aisling and thank you for all your hard work and good effort.

Katie Arbon—Parramatta Winner

Highly Commended

Mayen Benson (City Office)

The following has been said by Mayen's supervisor: "Mayen has shown great dedication to her job. Her first priority is always to get the job done, whatever it takes. She has recently spent long hours in the office, even coming in at weekends. In particular her help on the project to set up our Focus Group Accounts desk has been invaluable. Apart from her professional attitude to work, she also brings fun to the team. She has organised some great social activities including the recent 'Jigsaw' lunch. Mayen is an absolute pleasure to work with and I am pleased to nominate her for the award". Congratulations Mayen and keep up the good work.

Emma Thomason (City Office)

The following has been said by Emma's supervisor: "Ever since Emma started work with us earlier this year she has been a great addition to the team. She is always punctual, neatly attired and has a smile for everyone (she has a couple of great one-liners up her sleeve as well!). It was not long after she started that I was able to assign her some of my workload with an ease that is indicative of her intelligence and work ethic. She is very easy to work with and the whole team would miss her if she left... Thanks Emma for all your hard work - we really appreciate it!"

Joel Teoh (Parramatta Office)

A big thankyou and congratulations to Joel Teoh for his hard work this month. Joel has consistently received excellent feedback from my client. Comments such as "I can't speak highly enough of Joel. It has been an absolute pleasure having him work with us. I recommend him highly" are a testament to his reliability and fantastic work ethic.

Horoscope:
TAURUS
(April 21—May 21)

Bring any plans and promises down to scale before making a commitment. Chances are you're seeing the big picture and feeling good, but are inclined to overlook the details. Over optimism could be brought down to size later on by an unpleasant but necessary reality check. Try not to overdo things
