**Issue 96 January 2008**

## **Congratulations to Grace Caldwell and Beena K**

### **City Winner— Grace Caldwell**

The following has been said by Grace's supervisor:

*"When I received the phone call from Quay Appointments to advise that one of our agency staff members had been nominated for 'Temp of the Month', I knew straight away that it would have to be 'Grace Caldwell'. There is just something about Grace that makes her more than deserving of this award.*

*Grace has been working in our branch for only 3-weeks now, but our team has had involvement with her on a daily basis whilst she was on other assignments within the department. We were absolutely blown away when Grace agreed to take over the position as Executive Assistant to our Director and Deputy Chief Health Officer because we knew that she would do a sterling job. Grace's professionalism, confidence, magnificent attitude and infectious smile makes her the most sort after temp in Sydney. Like everyone else, we wish she could be part of our team forever."*

### **Parramatta Winner— Beena K**

Beena is a loyal and hard working employee. She has recently been recognised by our client for her systems knowledge and was offered a more senior position. Thank you for your hard work and dedication. Keep up the good work.
