## **Temporary of the Month Award**

### ***Congratulations to Lucinda Barfoot and Angela Baiguini***

#### **City Winner— Lucinda Barfoot**

The following has been said of Lucinda by her Manager: "Lucinda has been a terrific addition to our team with her intelligence, initiative, consideration of others and warm, friendly and cooperative disposition. Lucinda is always thinking ahead, always delivers, always friendly and cheerful, always interested in what's going on and understanding what's going on. She has secured such respect from her colleagues that she was invited to one staff member's wedding recently and the date of the office Christmas was changed so Lucinda could come before her visa expired and she had to leave the country. I could not imagine a more deserving recipient of the Temporary of the Month than Lucinda".

#### **Parramatta Winner— Angela Baiguini**

Angela has worked for Quay Appointments since 2003 and has been a loyal and reliable addition to our team. Her most recent assignment has just passed the 12 month mark and the feedback from our client is always excellent. Thanks for all of your hard work Angela.
