# Talking Temps

Issue 83 October 2006

## Congratulations to Aimee Diamond and Ingela Nilsson Quay's October Temps of the Month!

### **Aimee Diamond—City Winner**

Aimee is currently working as a Receptionist at the Department of Health, and her manager would like to nominate her for the following reasons: Her punctuality is outstanding for that of a temporary staff member, her commitment to presentation in the role of reception is of high standard, she has the confidence to handle difficult clients, she has an ability to cope with pressure and difficult demands, her knowledge of computer applications is very good, but the main point is that right now she is down on reception being totally professional while at the same time not feeling well. But she insists that she wants to finish off her shift. Congratulations Amy! Keep up the excellent work!

### **Ingela Nilsson—Parramatta Winner**

Ingela Nilsson has been working with Quay Appointments since March this year and has been in the same role since. Ingela has become an important member of her team and due to the hard work and efforts put in, Ingela was able to take on extra hours. Great feedback has been received for Ingela's efforts and we thank her for all her hard work. Congratulations on being nominated Temp of the Month!!
