What the client had to say about our Temp of the Month for March, Debbie Losper:

Debbie came to the Ambulance Service on a temporary assignment in February to establish the Salary Packaging Unit. The time frame to create all the systems and processes was incredibly tight. Debbie was committed to the project from the outset and demonstrated tremendous skill and diplomacy, plus the ability to meet deadlines, complete tasks and exceed expectations in a demanding role. Debbie has been a pleasure to have on the Salary Packaging team and we are delighted she has been awarded the Employee of the Month with Quay Appointments.
