Buttermilk Pancakes with Sweet Peaches

Makes 8 thick pancakes

Ingredients

- 1 can slices peaches in natural juice
- 1 1/2 cups self raising flour
- 1 tsp mixed spice
- 1/4 cup sugar
- 1 egg, lightly beaten
- 1 cup buttermilk
- 50g butter
- 2-3 tbsps honey or maple syrup

Method

1. Drain the sliced peaches, reserving the juice
2. Sift the flour and mixed spice into a bowl and make a well in the centre
3. Beat the reserved juice, sugar, egg and buttermilk together. Pour into the centre and stir with a wooden spoon to make a smooth batter.
4. Heat the butter in a frying pan and cook until it turns nut brown. Then carefully stir this into the batter. (This will give the pancakes a lovely flavour).
5. Pour 1/4 cupfuls of batter into a heated non-stick frying pan and cook over a moderate heat until the bubbles appear on the surface, then flip and cook the other side.
6. Once all the pancakes are cooked, add the peach slices to the pan with the honey or maple syrup. Heat gently.

Serve the pancakes topped with the hot peaches.

SYDNEY SCENE

Cirque du Soleil
presents
Varekai

Cirque du Soleil is touring Australia and New Zealand from August 2006 with the spectacular new show *Varekai*, seen by more than 3 million spectators in North America. If you loved *Saltimbanco*, *Alegria* and *Quidam*, you will be thrilled by *Varekai*.

Deep within a forest, at the summit of a volcano, exists an extraordinary world—a world where something else is possible. A world called *Varekai*.

Varekai means "wherever" in the Romany language of the gypsies. Set in a mysterious forest of fantastical creatures, the show combines gravity-defying acrobatics, evocative music and otherworldly sets and costumes to tell the story of a winged youth who falls to earth and who strives once again to reach new heights. The show introduces acts never before seen in any other Cirque du Soleil show to tour Australia, including the technically stunning Icarian Games and Russian Swings.

Tickets are on sales NOW through Ticketek. Sydney shows open 10th August 2006.
