THIS MONTHS STARS

Gemini

May 21—June 21

You're full of understanding and compassion today, especially when dealing with people who are different from you in some way. You want to help them, and you couldn't give a hoot about the colour of their skin, the nature of their religion or the country they've come from. Right now you're very open to spiritual and religious insights, so let them flow freely.

SYDNEY SCENE—SYDNEY SCENE—SYDNEY

Carlotta's King X

The remarkable life and times of Carlotta finally hits the stage. The original drag show legend bares her soul and celebrates 44 years in show business, all intertwined with the colourful underground history of Kings Cross.

IT'S THE REAL THING

Carlotta is the undisputed diva who went the whole way. She has strutted her considerable stuff for 44 years in showbiz. While the landmark Coca Cola sign had the streets of King's Cross awash in nocturnal red, Carlotta illuminated its stage - and only the Coke sign has been there longer.

OBEY THE LORE

SUCCUMB TO THE SIREN LURE OF THE INFAMOUS LES GIRLS DRAG CABARET AND KING'S CROSS.
