### Temp of the Month

*Congratulations to Miranda Turner and Laura Cahyadi*

#### **City Winner—Miranda Turner**

Comment from a client: Miranda has done a wonderful job working with The Nous Group over the past couple of months. As a small management consulting firm with a variety of projects and tasks on the go, Miranda has managed to keep us all in order, set up some very useful systems and tidy up our processes. She is always so calm, personable and friendly and nothing is ever too much trouble. She is great at quietly and calmly solving problems, using her initiative and getting this done without any drama. Often, problems are solved before we even knew that they existed. Miranda is also lots of fun and brings her own sense of energy and humour to the office. We have been thrilled to have the support that Miranda has provided and we are sorry that she cannot stay with us for longer.

#### **Parramatta Winner—Laura Cahyadi**

Laura has been working with Quay Appointments since May 2004 and has continually expanded her role until now. It is always a pleasure to visit her, and the client's feedback is nothing but outstanding. She has not only expanded her role and her responsibility, but she now looks after several manager's on site. She has also been a great ambassador for Quay as she has assisted me in opening more doors into the company with her reputation and dedication to her work. An excellent job by an excellent temp! Congratulations Laura, it has been long overdue!

#### Highly Commended - City Winners

##### ⚡ **Rachel Defreitas**

Rachel accepted a long term booking back in February 04 and is still beavering away. Her managers are very proud to say she has made a fantastic contribution to their finance team, playing a key role in reducing their payment days. The department has received many letters thanking Rachel for her efforts and going the extra mile. Rachel also received a nomination at the 2005 Temporary Awards. We are delighted to present Rachel with this month's Highly Commended Award. Congratulations and thank you for your loyal and valuable contribution to Quay's Temporary Team.

##### ⚡ **Deidre Lewin**

We've nominated Deidre Lewin for Highly Commended for November as we've received the nicest email from her Supervisor! The comments received are: "Deidre is a delight to have in our office. Her charming accent, sparkling wit, gentle humour and compassionate nature added to a work-ethic of reliability, responsibility, attention-to-detail and thoroughness and persistence in follow-through, make her a most ideal employee. She is certainly an excellent advertisement for your Agency!" Thank you Deidre for doing a great job and we are all very happy to present you with the Highly Commended Award for the month of November.

#### Parramatta Winner

##### ⚡ **Linda Ebrahim**

When Linda came in to register with Quay Appointments it was quite obvious that she would be a dedicated candidate. Before her long term assignment started there were a couple of one day reception roles that needed a candidate to fill in immediately. No matter what time of the morning it was or how long it would take her to get there by public transport, Linda always took on the job with a smile. She gave her all in every short assignment. She impressed the client so much, he particularly asked for Linda to fill in the long term vacancy with his company. Linda, you are truly an angel. Well done!
