### **IMPORTANT NOTICE**

#### **Remember.....put your name on your timesheets!**

Please make sure you print your name on your timesheet before you fax it through to us.

*Don't forget to advise your consultant promptly when you receive your tax file number as not doing so may result in you being taxed at a higher rate.*

*Please remember that this is your responsibility.*

There have been some instances where people's timesheets haven't come through for mid week starters. Please ensure that if you complete one day assignments, you remember to fax your timesheet through the same day in order to assist payroll in completing your hours worked for a particular week. Please feel free to contact your consultant to confirm that we have received it to avoid unnecessary delays.

## THIS MONTHS STARS!

**Scorpio**  
Oct 24 - Nov 22

You're in a self indulgent mood, especially if that means forgetting all about the diet you're supposed to be on and raiding the fridge instead. If you're tempted to do some comfort eating, try to work out what's upset you so you can fix it. That will be a much more productive solution than to raid the biscuit tin and then feel racked with guilt about it.

**Your lucky numbers are: 10, 64**  
**Your lucky colours are: Sapphire Blue, Emerald Green**

## QUOTE FOR OCTOBER
