

Eastern Australia is facing one of the most crippling droughts in history and farmers are doing all they can to keep their stock alive and fed.

Aussie Helpers is a charity who stays in touch with 100's of farming families to ensure their well being and survival through these difficult times.

Farmers dedicate their lives to ensuring Australians have quality fresh food and now it's time to return the favour!

Quay Appointments are proud supporters of Australian charities donating \$1000's every year. Join us today and donate to this very special cause visit <https://aussiehelpers.org.au/donations/>

Best job interview advice 'almost no ones takes'

While we may be obsessed with taking selfies, most people avoid looking at or listening to themselves on camera. “Just pushing ‘record’ and seeing that red light makes them highly self-conscious,” HR expert has reveals by video recording yourself as you answer interview prep questions you can see and hear how you come across.” [click here](#) to read more

How to avoid the worst of Sydney's expanding peak hour traffic

If you had left early for work this morning, what difference would it have made to your commute? Want to avoid the expanding peak hour traffic. [Click here](#) to read about our changing traffic and use interactive tools to figure out when it's best to travel.
